Spring Term Parents evenings

Dear Parents and Carers,

We have decided to postpone our parents evenings for this term by a few weeks. These were due to be held during the first week after half term but these will now happen on the 16th and 17th March.

We are really hoping that we will be able to welcome everyone back into school on the 8th March so this will enable us to discuss how well your children are settling back into school routines after this lockdown.

These meetings will be virtual and you will be able to join using a smartphone, laptop or tablet. I will send some information to you soon about when and how you can book appointments with your class teacher.

After half term, Class teachers will be returning to school in preparation for full reopening. If your children are working at home, then nothing will change until the government announces a full reopening and their teachers will be online as normal. For key worker children in school, this will mean a change to their learning group so that they can learn with their normal teaching team. This will all be explained to the children in school.

In the meantime, if there is anything that you would like to discuss with your class teacher, or any other member of staff, please get in touch via ClassDojo.

I know that a number of our families are having to manage COVID illness and related self-isolation periods so I would like to wish you all a very quick recovery. Please do let school know if we can support you in any way.

Yours sincerely,

Jon Bacon
Headteacher

Together, we learn, trust and succeed.

Learn ... reach your full potential - *curiosity, concentration*
Trust ... caring staff support every child in school - *collaboration*
Succeed ... overcome barriers - *resilience, reflectiveness*
