

Comic Relief 2021 is back on Friday 19th March!

YOUR CHALLENGE: Your challenge is to dress up as the Shelton Superhero you think you are most like. However, as part of the challenge, you can only use five household items to create your costume- what superhero costume will you create?

Are you a Collaborator? Do you like working in a group?

Are you a Reflector? Do you like to think back and reflect on your work?

Are you a Perseverer? Do you keep going when tasks are challenging?

Are you an Investigator? Do you like to ask questions and find out about things you are interested in?

Are you a Thinker? Do you like to learn new things and think methodically about the way you work?

Please donate via our justgiving page if you can:
