April 2021

Friends of Shelton Junior School

Dear Parents and Carers,

Are you interested in helping us to form a new PTA to support wider opportunities for our children and community?

As we slowly get back to a new normal life at Shelton, we are hoping that we can continue to build on the amazing support and care that has been offered all around our amazing community at Shelton Lock. Already we have seen the installation of new outdoor play equipment which has really helped us enjoy getting active; our new fence so we can use the field every day; our brand new forest school; and lots of decoration inside the building. We have many more plans to continue to improve our school even more this year.

So, we need you!

We'd like you to: organise events to raise funds for specific projects around school; work alongside the children to run school and community get togethers; help form links between school and local businesses and organisations; and support our school in any way you can think of!

We will start by forming a steering group to elect a chair person and a treasurer and work out how the organisation will run, how often it will meet, and the kinds of things it will do. My team and I can help with advice and support throughout so no previous experience is necessary but any experience you do have will be helpful. Then, you will elect members and get organising!

If you think that you can offer some support, either as part of the initial steering group or later on as a FoSJS member, then please let us know by sending an e-mail to admin@sheltonj.derby.sch.uk and we'll be in touch.

Yours sincerely,

A handwritten signature in black ink that reads 'J Bacon'.

Jon Bacon
Headteacher

Together, we learn, trust and succeed.

Learn ... reach your full potential - curiosity, concentration

Trust ... caring staff support every child in school - collaboration

Succeed ... overcome barriers - resilience, reflectiveness
