Transition days

Dear Parents and Carers,

On 5th, 6th and 7th of July, children across Derby will attend transition. Our year 6 children will be going to their new schools and all of our other children will also be spending these days with their new class teacher. This will be a great opportunity for them to get to know their new teacher and classmates ready for next year.

For these days, children will line up with their new teacher in the morning and will be released to you from their new class teacher – don't worry if the children are not sure where to go, staff will be on hand to help!

Please can I ask that during collection, parents stand well back from the drop off points while teachers dismiss to ensure this is done safely. Please be patient with us on these days as dismissal may take a bit longer until teachers get to know all. Teachers will of course be happy to chat to you as soon as children are dismissed.

We will let you and children know who their teacher is in 2 weeks' time so that you and they will know in good time who their teacher will be next year.

Yours sincerely,
