Times Tables Check

Dear Parents and Carers,

If you have a child in year 4, they will be participating in the new multiplication tables check next week. This is new this year and is compulsory for all children. It is an on-screen check consisting of 25 times table questions. On average, the check should take no longer than 5 minutes to complete.

This check is similar to some of the TT Rockstars challenges that our children do regularly and is not something either you or they should be concerned about at all. We will publish your child's result on their end of year report later this term.

The children will complete the check with their teachers at some point next week. Further information from the DfE is attached but if you have any further questions, please get in touch with your child's class teacher.

Yours sincerely,

Jon Bacon
Headteacher

Together, we learn, trust and succeed.

Learn ... reach your full potential - *curiosity, concentration*
Trust ... caring staff support every child in school - *collaboration*
Succeed ... overcome barriers - *resilience, reflectiveness*
