Communications this year

Parents tell us that “little and often” is the best, so we will always try and update you with news and information in this way. Messages are usually sent both by e-mail and using ClassDojo. Please make sure we have correct e-mail information for you so that you receive messages that we send.

ClassDojo app for regular updates and communication. We’ll be in touch on Dojo with regular reminders and updates, and you can message your class teacher directly if you need to. Please make sure you sign up for the free account.

Teachers2Parents app for all bookings. School dinners must be booked 1 week in advance using the Teachers2Parents app, please speak to the office if you need any help getting set up. This is also how you book before and after school club places.

Our website for reference. Our website has a parent area with key dates and all letters are also saved here so you can go back and refer to them. www.sheltonj.derby.sch.uk

Yours sincerely,
