

Children in Need

Whilst we understand that finances are stretched for many, we would still like to try and raise money for Children in Need.

We are therefore holding a few different activities we would like to invite you all to be a part of.

Thursday 17th November - Cake Sale.

Plates will be given to all children week commencing 14th November. If you are able, please fill with cakes (home made or bought) which we will then sell on Thursday after school. Please join us to buy some treats!

Swap Shop - Additionally, we are asking children to bring in any old Children in Need merchandise they either no longer need or fit in. Bring in items to your class teacher by Thursday 17th November, the items will then be on display in the hall during the bake sale. Children can either swap for a different item or pay a nominal fee for something they want. (Tokens will be given to those children who have brought in items if they want another item.)

Friday 18th November - Non-uniform day.

For a £1 donation we ask children to come to school in non-uniform. We are combining Children in Need and TT Rockstars day. You can come to school dressed in yellow, Pusdey, a rock star or combination of them all.

Please join in with as much or as little as you are able.

Thank you, Mrs Collins
