Film Club

Come and join us for great films and yummy snacks. We will be watching a variety of films; could it be action, comedy, adventure? The possibilities are endless!

This will be a lovely way to relax and chill out at the end of the school day and we'll discuss our thoughts and ideas about which films we loved.

Monday

Code Club

This will be a great club for anyone who is creative, likes solving problems, or enjoys storytelling. We'll use Microsoft's Kodu Game Lab to design and play your very own simple 3D computer games.

Tuesday

Did you know that there are over 543 million Spanish speakers worldwide, making it the 4th most spoken language globally – just behind English, Chinese Mandarin, and Hindi. If you fancy a go at a new language, come along and have a go with your friends!
