Title Relationships and Sex Education

Dear Parents and Carers,

Next half term, all children at Shelton Junior School will be completing the school's Relationships and Sex Education (RSE) programme. The programme is called the Christopher Winter's Project and is now being used by many primary schools in Derby.

The children will begin the sessions on the **week beginning 5th June 2023**. The children will have three to four sessions and I have included an outline of the session content on the back of this letter.

All parents have the right to withdraw their child from *some* of the RSE sessions and you can do this by speaking to the class teacher. However, we would recommend that you discuss any concerns that you have before making the decision to withdraw.

If you wish to view the content of the lessons and resources for your child's year group then please speak to the class teacher or arrange a meeting with myself and I can meet with you. This will give you the opportunity to ask us any questions about the sessions and how they are delivered.

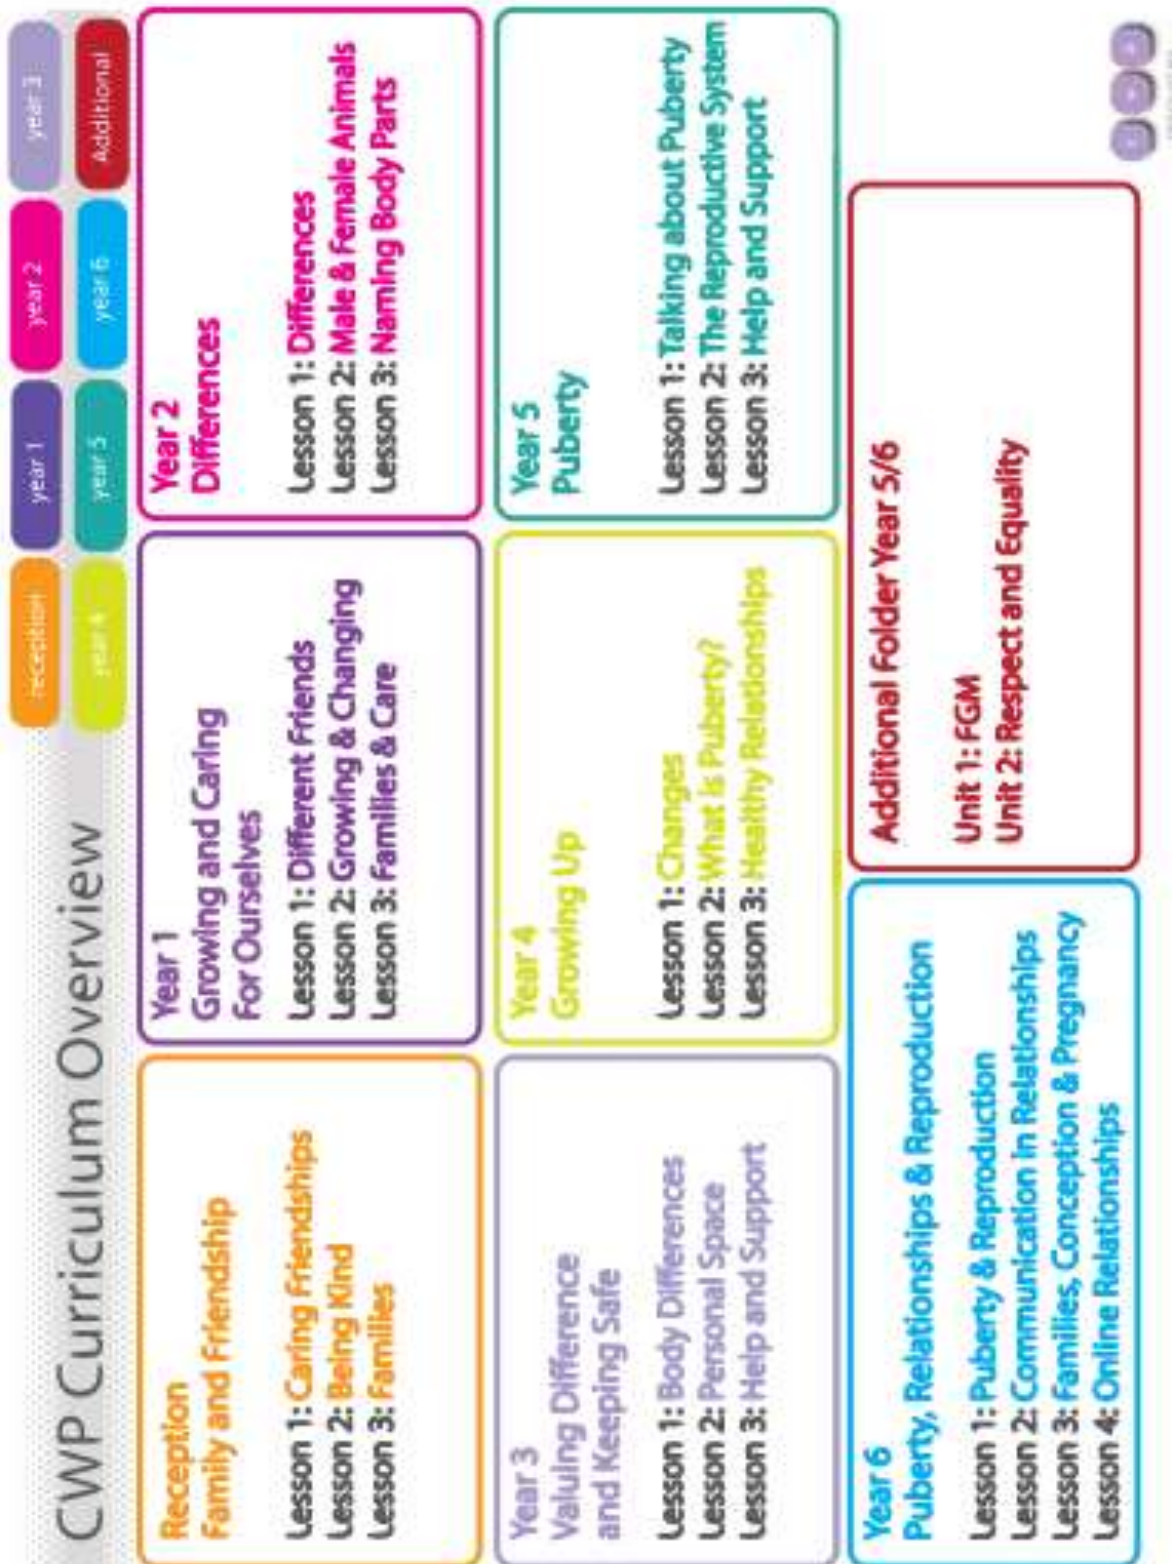

Thank you for your continuing support,

Mrs E Spence
Year 6 and PSHE Teacher
