Aims

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

- Devising specific strategies to address areas of poor attendance identified through data
- Delivering targeted intervention and support to pupils and families
- Benchmarking attendance data to identify areas of focus for improvement

The attendance officer is Mrs Vicky Dunkley and can be contacted via the school office.

The Learning Mentor

Working in conjunction with the attendance officer, the Learning Mentor will work with specific cases and carry out some of the activities as directed by the attendance officer.

- Arranging calls and meetings with parents to discuss attendance issues
- Delivering targeted intervention and support to pupils and families
- Collating attendance data

Class teachers

Class teachers take an important responsibility for the attendance of children in their class by consistently promoting good and prompt attendance and raising attendance concerns promptly.

Class teachers are responsible for:

- Recording attendance on a daily basis, using the correct codes, and submitting this information to the school office by 9:15am. Afternoon registers will be completed within 15 minutes of the afternoon session starting.
- Award weekly attendance Class Dojo awards: 5 dojos for 100% attendance, 3 dojos for 90-99%.
- Reporting absence trends or concerns on CPOMs for children in their class. For example: a child is late several times in a week; absent on particular days; or at particular times of the year.
- Regularly promote good attendance.

School Admin staff

School Admin staff will:

- Take calls from parents about absence on a day-to-day basis and record it on the school systems
- Transfer calls from parents to the Pastoral Lead in order to provide them with more detailed support on attendance
- Record any absence where contact cannot be made with a parent or carer promptly
- Record any other absence concerns promptly
- Send termly attendance letters to all parents
- Send half-termly postcards to parents for improved attendance and 100% attendance over a half-term

Parents/carers

Parents/carers are expected to:

- Make sure their child attends every day, on time
- Call the school to report their child's absence before 8:50am on the day of the absence and each subsequent day of absence (unless otherwise agreed with the attendance officer), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, all appointments for their child are made outside of the school day

Pupils

Pupils are expected to:

- Attend school every day on time

Recording attendance

Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8:50am on each school day.

The register for the first session will be taken at 9:00am and will be kept open until 9:15am. The register for the second session will be taken as soon as the year group have finished their lunch break. This is 12:50pm for Years 5 & 6 and 1:20pm for Years 3 & 4. Registers will be kept open for 15 minutes.

Illness

Parents should inform school office that a child is ill and will not attend, this will be marked on the register by the office staff.

Where the parent informs class teacher through Dojo, the class teacher will inform the office by recording a note on Integris. Class teachers will mark the register with I.

If a child is not attended and the class teacher does not know why, then they will mark the register with N and the office may then update to an I with a note later.

If school (office or teacher) is informed of an illness that means the child will be absent for several days (e.g. sickness bug), this will be added to the register ahead of time at the point we are informed. A note will be added with the day we are expecting the child to return to school.

If a child goes home early from school during the morning, the office will mark the afternoon session as I when they leave school.

School Trips/Visits

For trips and visits, the register will be completed before the children leave school. Where children attend school trip or visit for the afternoon or part of the day only (for example to go swimming) the register for the afternoon session will be taken before the children leave school.

Child leaves school during the day

If a child is collected or leaves school before the end of the school day, the office will mark the register with the appropriate code. If the class teacher is unsure how to mark the register they will send a Teams message to the office who will then mark the register correctly.

Part time timetables

In some rare circumstances a part time timetable may be agreed for a child. These are exceptional circumstances and agreed with the local authority.

- C code used for any full session where it is agreed the child does not attend for that session
- Child arrives later than 9:15 but before 11:00 as part of an agreed part time timetable strategy: /
- Child attends part of the afternoon session but leaves early: \

Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8:50am or as soon as practically possible by calling the school office staff.

See [our website](#) for further details on reporting absence from school.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment by contacting the school office at least 1 day in advance of any absence.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to the Authorised and Unauthorised Absence section to find out which term-time absences the school can authorise.

Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

When children arrive late to school they are handed a "late slip" indicating the time that the child arrived and that it has been recorded on their record.

Parents/carers of children who are persistently late are supported following the staged process below and in Appendix 6.

Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/ carer to ascertain the reason.
- If the school cannot reach any of the carers or emergency contacts on the morning of the first day of unexplained pupil's absence by 10:30am, office staff will inform Safeguarding/Pastoral Lead. Head teacher and/or Pastoral Lead/Learning Mentor will make a home visit.
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer.

Reporting to parents/carers

Parents are informed weekly of overall class and school attendance levels via ClassDojo.

Termly letters are sent to parents informing them of their child's attendance for the previous term.

Authorised and unauthorised absence

Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be '**exceptional circumstances**'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as: ***circumstances that could not be reasonably foreseen and for which there is insufficient time to take the necessary action to resolve the situation and where missing education cannot be reasonably avoided.***

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 3 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for authorised absence include:

- Illness and medical/dental appointments where appointment cannot be made outside of school hours
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

Holidays during term time will not be authorised.

Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

Strategies for promoting attendance

- Regular reminders of the importance of good attendance, through Dojo whole school posts, website, assemblies etc.
- Weekly update on dojo informing parents of whole school attendance and leading class for the week.
- Weekly dojo awards 5 dojos for 100% attendance. 3 dojos for 90-99%.
- Attendance letters to go out termly informing all parents of their child's attendance.
- Attendance notice board updated weekly.
- Weekly attendance trophy for class with highest attendance.
- Termly attendance awards (class party) for the top attending class in UKS2 and LKS2.
- 'Everyday Counts' competition at key times throughout the year. Any child who receives 100% attendance during this 'Everyday Counts' period wins a small prize.

Attendance monitoring

Bi-weekly attendance meetings are attended by the Headteacher, Pastoral Lead, Learning Mentor, and a member of Admin team to regularly monitor ongoing attendance concerns. At these meetings pupils will be allocated to a support/enforcement stage. (See also appendix 6 for full overview of support/action that is taken at each stage.)

Stage 1: Initial Targeted Support (93% - 96%)

- TA or class teacher will be assigned to be the initial lead worker for the family.
- Lead worker will have an informal discussion with the pupil to explore whether they have any concerns or issues that could be a barrier to attendance. This may be class teacher, Learning Mentor or the Pastoral Lead.
- Consideration of barriers for attendance and strategies that could mitigate these. This could include TA meet and greet, alternative arrangements for arrival, or interventions targeted at friendships, socialisation, anxiety or other identified issues.
- First warning letter issued/late letter issued (see Appendix 2)
- Chronology started/case opened for monitoring

- Half-termly postcards sent home to parents for improved attendance and 100% attendance over a half-term.
- Sticker charts considered for pupils to track their own attendance and punctuality. Rewards may be given weekly if sticker chart is filled. Rewards may be extra playtime, to go first for lunch or a game with wellbeing team staff.
- Consider the external agencies that can address the individual needs of the pupil/family. Make referrals as appropriate.

Stage 2: Enhanced targeted Support (93% - 90%)

- Second warning letter issued (See appendix 3)
- Meeting with parents booked to discuss attendance concerns .
- Free before/after school club places offered where appropriate.
- Learning Mentor/Pastoral Lead delivers weekly attendance groups to identified children in school.
- [Individual attendance plan](#) initiated - support will be offered in line with this plan.

Stage 3: Intensive Support for Persistently Absent Pupils (Below 90%)

- Third warning letter issued (see appendix 4)
- Individual attendance plan reviewed
- Other individual support offered based on need and availability, this could be arrangements for the collection of pupils for school, change of class, 1-2-1 sessions with school counsellor, drama therapy.

Stage 4 : Use of Parental Responsibility Measures (Ongoing Persistent Absence)

- The local authority will be notified of the school's concerns by way of a referral to the EWO (ER1 form).

Regular data reviews

In addition to bi-weekly meetings, a half termly attendance whole school data review will be carried out to identify any developing trends. Headteacher, Deputy Headteacher, Pastoral Lead, Learning Mentor, Admin Staff will meet to review attendance data each half term as below:

When?	Data to be reviewed	Cohort actions	Individual family actions
Start of Autumn 2	Review persistent absence from previous year	Target Learning Mentor to work with highest absence groups	Update monitoring register for bi-weekly review Initial contact made with previously Persistently Absent Pupils to offer support.

Start of Spring 1	Compare previous year persistent absence with Autumn 1 & 2 persistent absence	Learning Mentor review impact of work with target groups	Update monitoring register for bi-weekly review and offer additional support/issue additional warning letters as required
Start of Spring 2	Identify Autumn 1 & 2, Spring 1 persistent absent	Group analysis repeated and strategies reviewed/amended as required	
Start of Summer 1	Identify Autumn 1 & 2, Spring 1 & 2 persistent absent	Group analysis repeated and strategies reviewed/amended as required	
Start of Summer 2	Identify Autumn 1 & 2, Spring 1 & 2 and Summer 1 persistent absent	Group analysis repeated and strategies reviewed/amended as required	
End of Year	Year to date attendance		Year to date attendance added to report Persistent absent pupils identified for monitoring next year

Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

Using data to improve attendance

The school will:

- Provide regular attendance reports to class teachers, and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance (see Appendix 6)

Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by the headteacher. At every review, the policy will be approved by the full governing board.

First attendance warning letter

Dear parent's name,

I am writing to you to raise your awareness of (child's name) attendance. It currently stands at (add percent).

Regular attendance is an important factor in a child's academic success. When pupils are frequently absent, it is difficult for them to keep up with their school work because they miss out on vital learning. For this reason, we take school attendance very seriously.

The school acknowledges that each family's circumstances are different and aims to work in partnership with parents to provide the best education for every child. Pupils' welfare is of paramount importance to us and we believe that regular attendance throughout the year is essential for their success and fulfilment.

If your child is going to be absent from school, it is important that you contact the school on the first day of the absence to inform us of the reasons. If this continues for more than one day, you should make contact with the school on a daily basis to keep us updated.

We are keen to work with you to address any barriers to your child's attendance. If you require any advice or support on this matter, please get in touch with Mrs Dunkley to discuss this and we will do our best to help.

Yours sincerely,

Second attendance warning letter

Dear parent's name,

Following our previous letter dated [date of first letter] regarding [child's name]'s attendance, there continues to be a cause for concern. Our records show that [insert name of child]'s attendance is currently at [add percent].

School attendance is an important issue and something we take very seriously. I am therefore requesting that you come into school to discuss the current situation. I have arranged for this meeting to take place in school on [add date] at [add time]. Please could you confirm that you are able to attend this meeting. If you are unable to attend, please contact the school office to make an alternative arrangement.

Regular school attendance is the responsibility of parents/carers. If your child's attendance remains at the current level, a referral will be made to the local authority who may need to start legal proceedings. You may also be subject to:

- A Penalty Notice payable up to £120 fine
- Prosecution under Section 444(1) Education Act 1996, where if convicted you may be fined up to £1000
- Prosecution under Section 444(1)(a) Education Act 1996, where if convicted you may be fined up to £2500 and/or 12 weeks imprisonment

I would encourage you to make us aware of any circumstances affecting your child's attendance as a matter of urgency. All absences from this point forward will be marked as unauthorised unless accompanied by medical evidence.

We look forward to your support in resolving this matter.

Yours sincerely,

Dear parent's name

Final attendance warning letter

Following two previous letters, we are now writing to formally express our ongoing concerns about the irregular attendance of your child, [add name and date of birth]. We have attached a record of your child's attendance with this letter.

Attendance is now [%]. As a result, we request that you now attend a meeting at school to discuss this issue. The meeting has been booked for DATE TIME VENUE IN ATTENDANCE .

If you fail to attend and/or the reasons given for your child's absence are not satisfactory, you could be guilty of committing an offence and legal proceedings may commence against you for failure to comply with the law. This may result in:

- A Penalty Notice payable up to £120 fine
- Prosecution under Section 444(1) Education Act 1996, where if convicted you may be fined up to £1000
- Prosecution under Section 444(1)(a) Education Act 1996, where if convicted you may be fined up to £2500 and/or 12 weeks imprisonment

I am therefore informing you that, if further unauthorised absences are recorded, or your child fails to attend school regularly, we will need to refer this matter to the local authority.

We will not issue further notification should we need to escalate this matter to the local authority.

It is hoped that enforcement proceedings will not be necessary and we look forward to meeting you.

Yours sincerely,

Dear parent's name

Attendance for Autumn / Spring / Summer Term 2023

We are contacting all parents to keep them updated of their child's attendance. Child's Name's attendance was % for last term.

100%

Thank you for your efforts to ensure that Child's Name attended school every day during last term. Research shows that regular attendance at school has a big effect on children's lives.

96-100%

Thank you for your efforts to ensure that Child's Name attended school regularly last term. Research shows that regular attendance at school has a big effect on children's lives.

90-96%

Child's Name's attendance was below our school target of 96% and will be absence will be monitored regularly. To talk to us so that we can work together to improve Child Name's attendance for next term, please contact Mrs Dunkley via the school office.

Below 90%

Child's name's attendance was below 90% for last term and is identified as persistently absent during this period.

Research shows that poor attendance at primary school has a direct impact on how well children do at secondary school. Pupils who miss between 10% and 20% of school (that's 19 to 38 days per year) stand only a 35% chance of achieving five or more good GCSEs, compared to 73% of those who miss fewer than 5% of school days.

We are keen to improve this situation for Child's name and if there is anything further that you think we can do to help improve Child's name's attendance next term, please contact Mrs Dunkley via the school office.

Yours sincerely,
